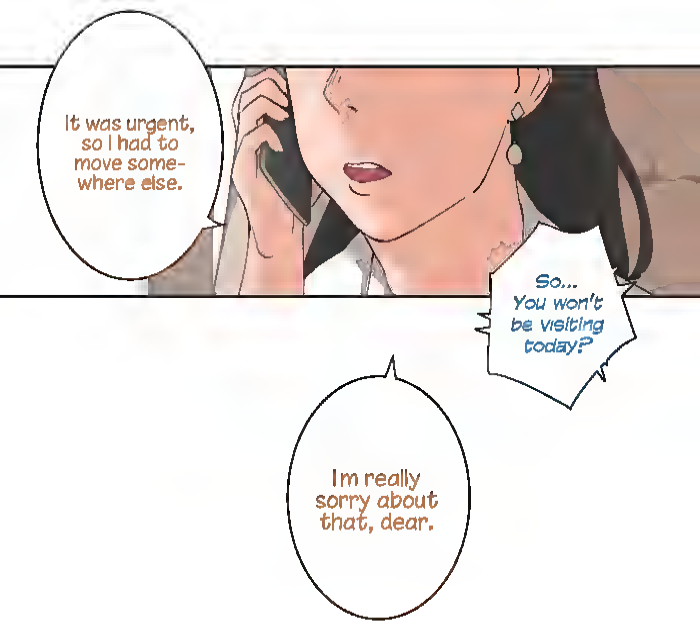
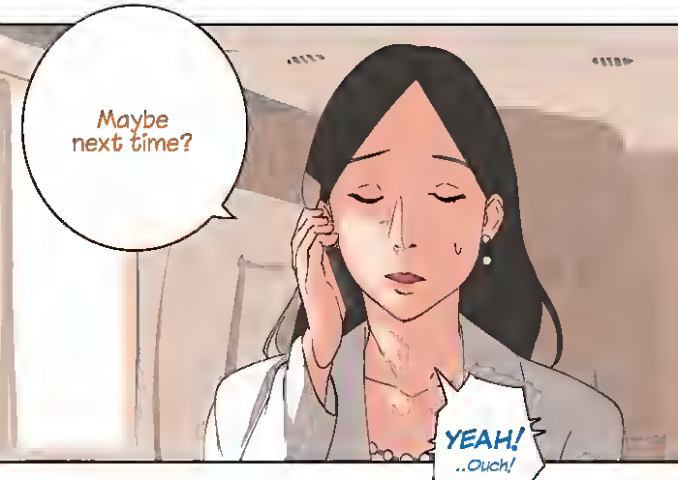
You were called in to work again?



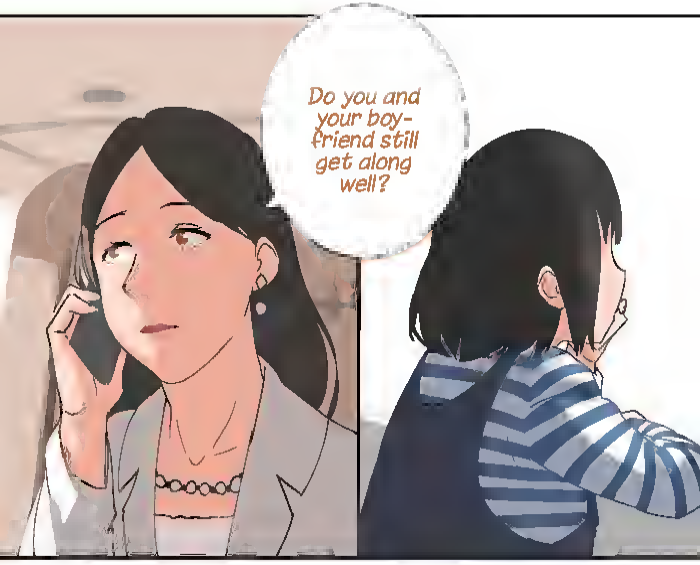
It was urgent, so I had to move somewhere else.
So... You won't be visiting today?
I'm really sorry about that, dear.



Maybe next time?
YEAH! ..Ouch!

Yeah?
You said something just now?
O-Oh, nothing. Just a little cough. Cough cough...
Are you sick?
I'm fine, mom. Really. Healthier than ever! Hahahaha!
You're acting weird.
. . . .

Fah... Can I ask you something?
Actually, it's something we haven't talked much about...



Do you and your boy-friend still get along well?

.....

It's okay. The same as usual, mom.
Aah... That's good.
I was just wondering...

Last month... I saw him sneaking around the house.

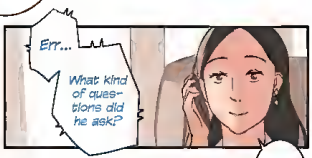
So I invited him in for dinner.

He was asking a lot of questions about you.

Do you two not get the chance to talk?

S-sort of. Something like that. So... What did he do next?

He finished his meal, thanked us, and then he left.



Let's see...

How are you doing? When will your semester end? Where are you living now?

Ah...

What major you're choosing. If you've made any new friends.

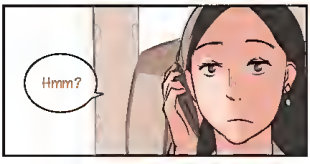
Err... He had a lot of questions...

That's it.

So, what's happening? Did you two break up?

Don't worry about us.

What's between us... It's the same as before.



Just try to talk once in a while, okay?
Yeah...
If you're having trouble, don't hesitate to tell me.
Maek, I'm sorry.
And what are you doing right now?
Nothing much.

I'm sorry for running away without telling you.

I'm sorry for being
so cold to you.

I'm just not ready.
No... Neither of us were
ready for that to happen.

With our situation, please let
me carry the burden by myself.

I don't want this to
affect your studies.

And I don't want my parents
or anyone to mess with this.

Just give me some time.
I'm going to try and figure everything out my own way.
I'll always love you...

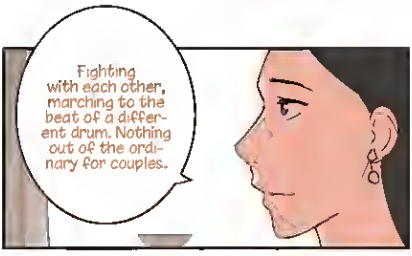
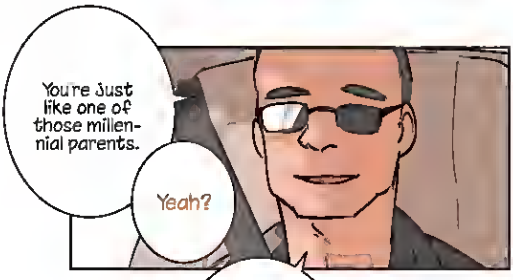
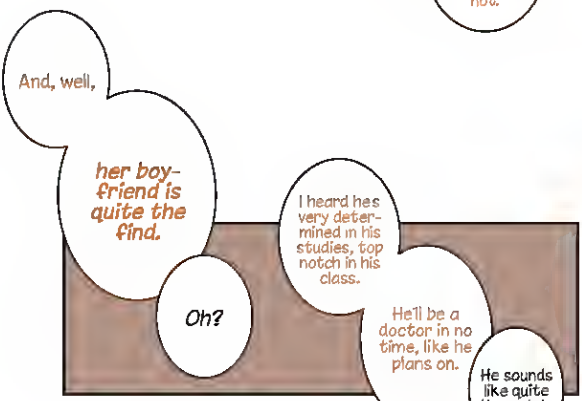
CALL

They're definitely fighting about something.
Teens will be teens, eh?
Is this about your little girl, boss?
You know,
she's growing up. She's got a lot to think about.

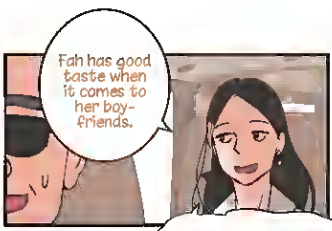




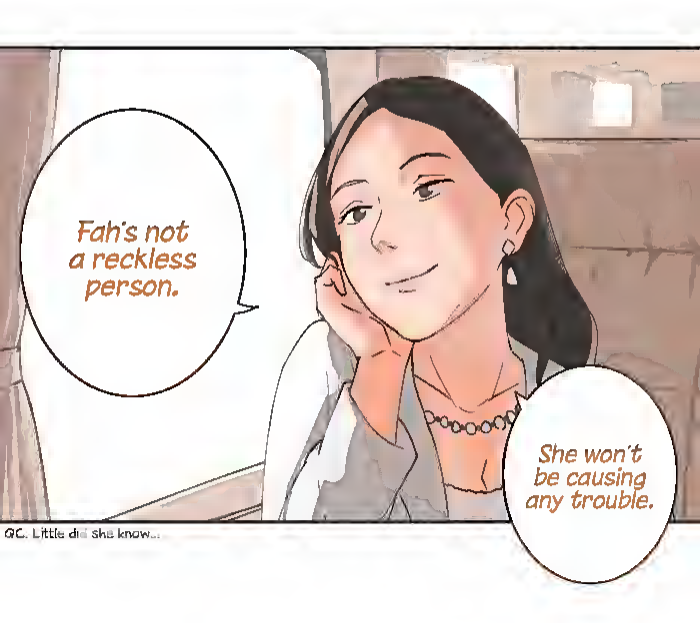
I mean, you're fine with your kid having a boyfriend, and you're even giving out advice.
They are teens. They'll be lovebirds whether I want it or not.



And, well,
her boyfriend is quite the find.
Oh?
I heard he's very determined in his studies, top notch in his class.
He'll be a doctor in no time, like he plans on.
He sounds like quite the catch.
He's quite handsome too.

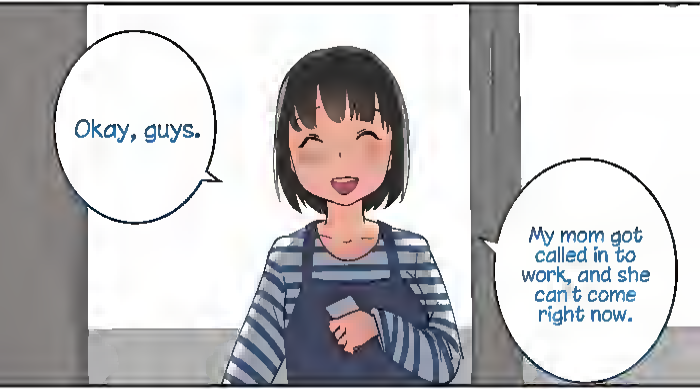


So you're not worried at all

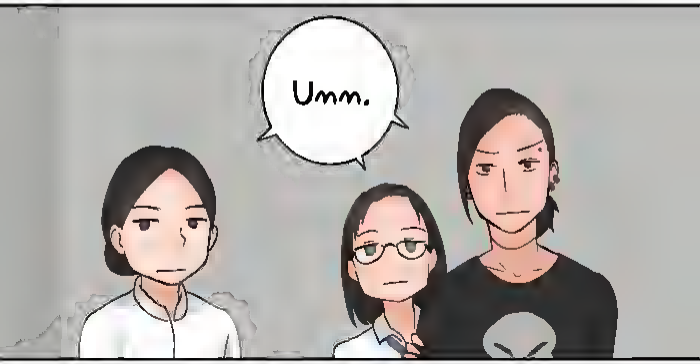


QC. Little did she know...

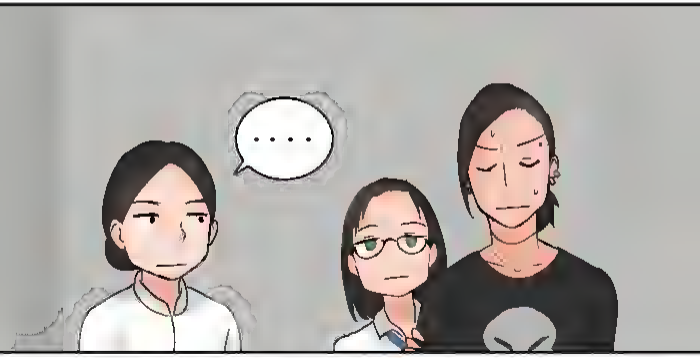
creek



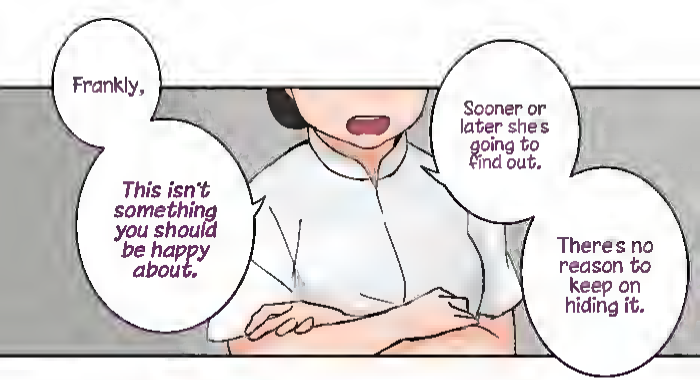
Okay, guys.
My mom got called in to work, and she can't come right now.



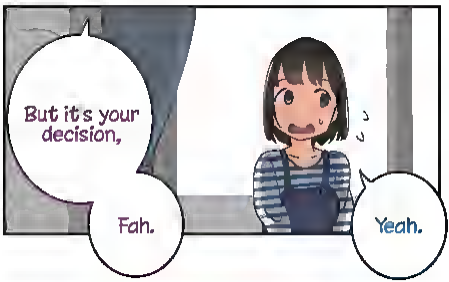
Umm.



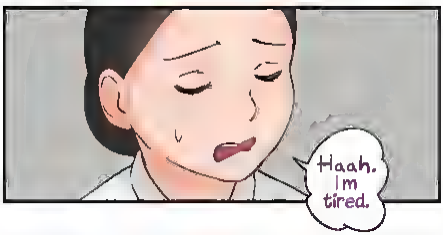
....



Frankly,
This isn't something you should be happy about.
Sooner or later she's going to find out.
There's no reason to keep on hiding it.



But it's your decision,
Fah.
Yeah.



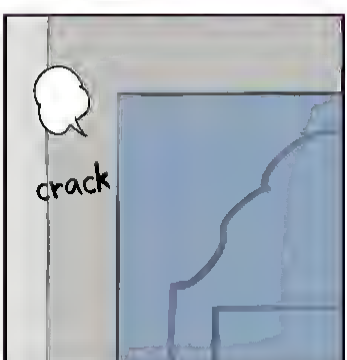
Haah. Im tired.

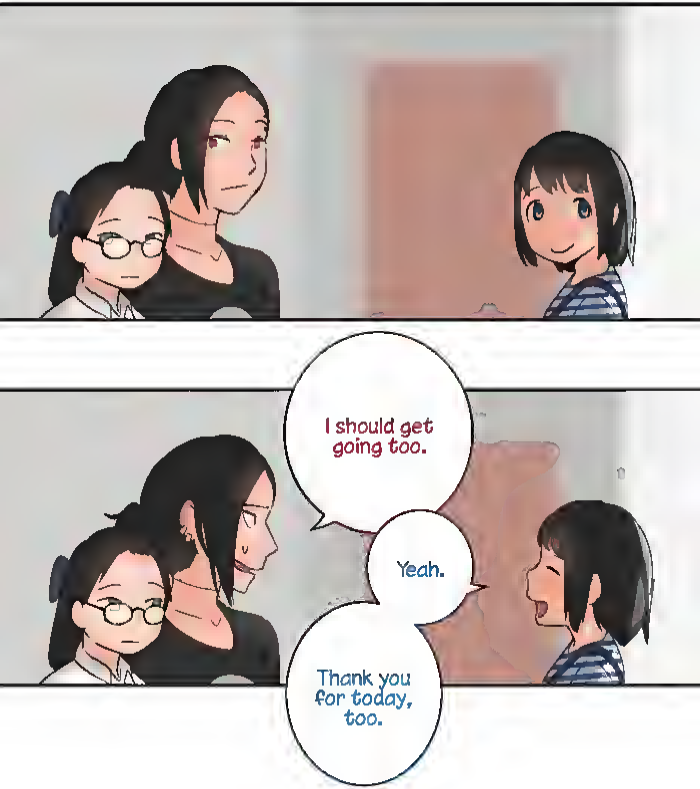
Gotta go. I'm on night shift too.

D... Do you work all day and all night long?

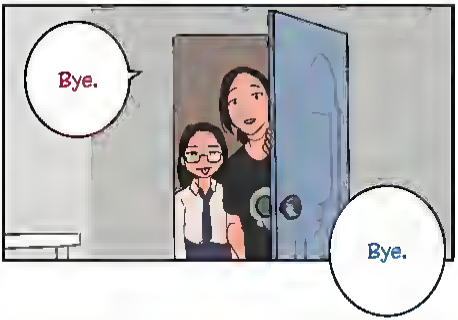
Kind of. I am a nurse. I've gotten used to it.

Thank you so much for sticking around.



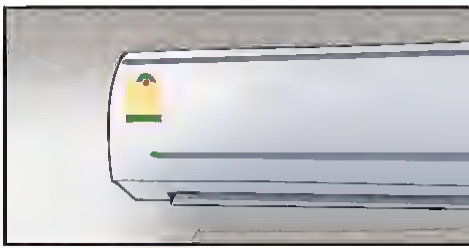


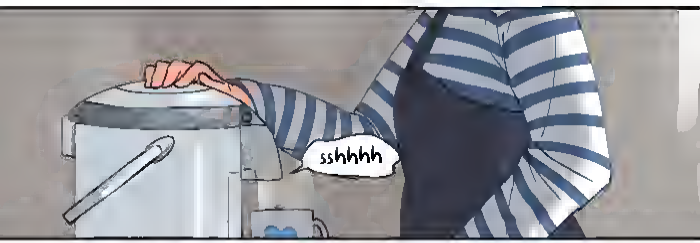
I should get going too.
Yeah.
Thank you for today, too.



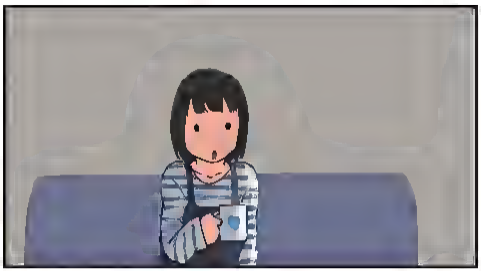
Bye.
Bye.

shick

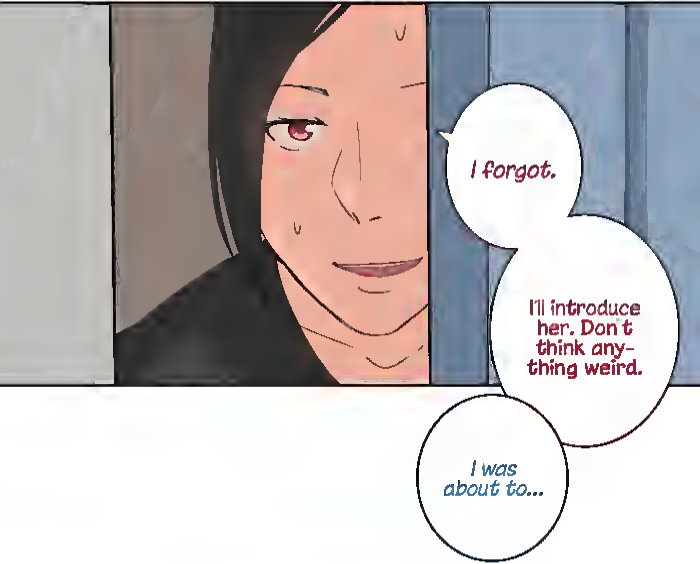




sshhhh



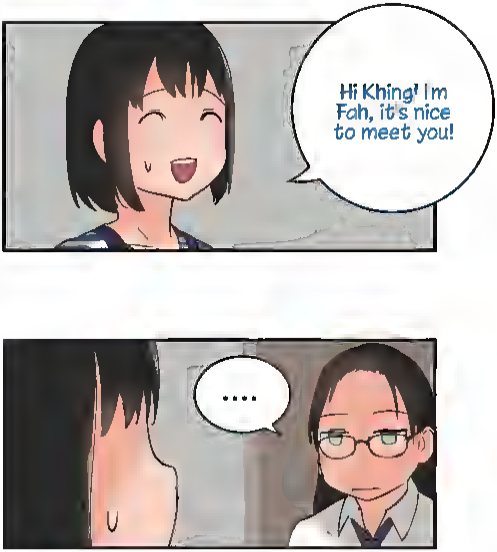
Eh? So who was the girl with the glasses?
Why was she here?
And why was she talking to Jane?
What's going on, I wonder?
It was enough to make me forget about my mother...
Is she her girlfri
knock
knock



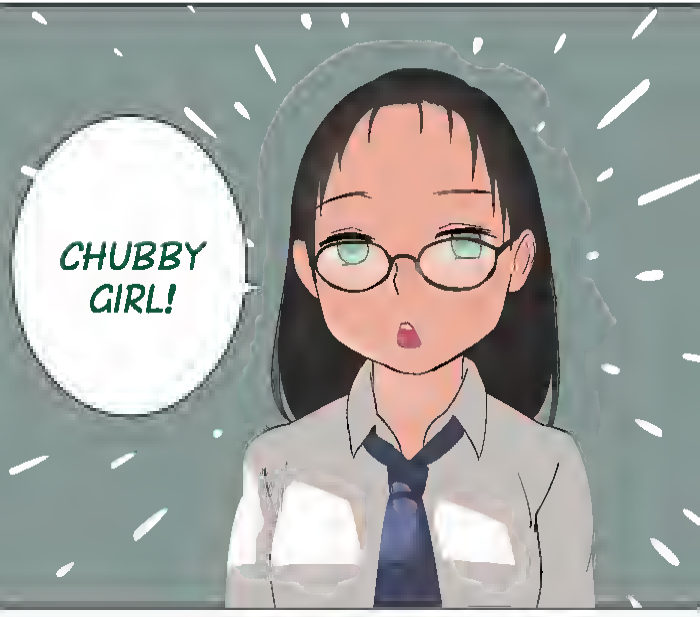
I forgot.
I'll introduce her. Don't think anything weird.
I was about to...

This is Khing. She's a year younger than you, still studying in grade twelve.
She has a habit of cutting class and showing up at my apartment. I've warned her away a million times but she just doesn't listen.
I don't really get this girl... But you two already met, so you might as well get to know each other... I guess.

TL/N: "Khing" /ขิง/ is Thai for "ginger."



Hi Khing! I'm Fah, it's nice to meet you!
....



CHUBBY GIRL!
